## IG-6000

### Electric Start Portable Generator

#### Features:

- *Ultra-Quiet Operation = 63-70Db*
- *Max Output: 6000 Watts, 120/240VAC*
- *Max Current: 50/25 Amps AC*
- *Electric Start*
- *4-Stroke OHV Engine*
- *Sound & Rust Proof Enclosure*
- *Automatic Smart Throttle*
- *Sinemaster Inverter Technology*
- *Fuel Tank Capacity: 5.9 Gallons*
- *9+ Hour Engine Run Time*
- *Overload Alarm*
- *Low Oil Alarm*
- *Low Oil Level Shutdown*
- *E-Z Roll About Wheel Kit*
- *Size / Wt - 31L X 19W X 24H, 250 lbs.*
- *Full 2-year Warranty*

#### Options:

- *Preventive Maintenance Service Plan*
- *Safe Set-up Installation Package*
- *AC Battery Charger*
- *Roof Mounted Solar Battery Charger*
- *Generator Protective Cover*

#### IG-6000

The IG-6000 portable "Inverter-Generator" is a lightweight and quiet alternative compared to most other generators available. Equipped with an econo-throttle to vary the engine speed according to the load, these sets provide super-clean, super-quiet power, are computer friendly and provide up to a 9 hr run time on a single tank of gas!

With its 4-cycle gasoline powered engine (no messy gas/oil mix) providing a full 6000 watts of continuous output, these power-houses are great for emergency power at home or on-the-job, portable power on-the-go, for boating, for camping or for usage at cabins and remote sites. With the built in wheel set, it can easily be moved about by one person.

The electric start (battery included) provides E-Z starting in any weather. Its onboard control panel provides standard 120VAC receptacles and a 240VAC full power twist lock. Rugged, rust proof chassis design, all backed by a full two year warranty.

**Combine this generator with our "Safe Set-Up Installation" & you have a professionally installed generator system that is safe and simple to operate during the next power outage!**

This transfer switch and power cord are part of our "Safe Set-Up Installation" package.

Keep this is mind...

The time to buy your generator and get it installed, is when you don't need it!
